INCREASE YOUR CATTLE PROFITS

The fastest way to increase profits in the cattle business is to use a **BETTER BULL**. These annual Omaha Sales that have served both breeders and commercial cattlemen for over one-third of a century, have annually proven the best place in America to buy a good bull at conservative prices. There never was a time like now to convert your shrinking dollars into fine Shorthorns and the Omaha Sales because of their size and quality, are one of the finest places to do this. They tell us that America may need from 25% to 30% more meat by 1960. Here is your opportunity for top level security and a first class chance to save some of the purchasing power of your money in our rising markets by converting them into an essential basic commodity. . . good bulls . . . and good Shorthorns.

I can assure you that this is the best bull line-up of the 36 years of auction history in Omaha. Both old and new customers may be assured that they will not be disappointed if they buy at Omaha on February 21st.
